

COMPANY PROFILE

BELLFAST GROUP

www.bellfastgroup.com

Bellfast Group is a UAE-based professional services firm delivering integrated legal, debt recovery and corporate solutions to companies, investors, and private clients across the United Arab Emirates. Through our multidisciplinary expertise and strategic partner network, we help organizations navigate the UAE's legal and regulatory landscape with clarity and confidence.

Our legal services are delivered through our legal division, Huda Al Hammadi Advocates & Legal Consultants, providing trusted legal advisory, dispute resolution, and representation before UAE courts. Bellfast Group also supports clients with business setup, PRO services, regulatory compliance, and debt recovery.

By combining local expertise with a client-focused approach, we simplify complex regulatory processes and provide reliable, end-to-end support that enables businesses to establish, operate, and grow successfully in one of the world's most dynamic markets.

Vision

To be a trusted partner delivering integrated legal and corporate solutions that enable businesses to succeed in the UAE.

ONE PARTNER. TOTAL CONFIDENCE.

At Bellfast, we provide integrated corporate, legal, and debt collection services for businesses and individuals across the UAE — all under one roof and managed with care.

Our strength lies in connection. By aligning advisory, execution, and compliance, we eliminate fragmentation, reduce risk, and ensure consistency at every stage. This integrated approach allows us to deliver outcomes that are accurate, reliable, and fully compliant with UAE regulations.

Clients trust Bellfast for our transparency, accountability, and deep local expertise. We simplify complexity, take ownership, and deliver with precision — giving you confidence to focus on what matters most.

EXPERT LEGAL ADVISORY SERVICES

Legal matters can be complex — Experienced legal guidance ensures businesses navigate regulatory and commercial challenges with clarity and confidence. Bellfast Group provides comprehensive legal services through its subsidiary, Huda Al Hammadi Advocates & Legal Consultants, delivering trusted legal advisory and representation across the United Arab Emirates.

Combining deep knowledge of UAE legislation with a commercially focused approach, our lawyers advise on matters including corporate governance, regulatory compliance, dispute resolution, commercial transactions, and litigation before UAE courts. Our commitment to professionalism, discretion, and practical legal solutions enables clients to manage risk, protect their interests, and operate successfully in a dynamic business environment.

What Sets Us Apart?

Delivering strategic legal guidance backed by deep UAE expertise and a commitment to client success.

Integrated Legal Expertise

Legal services delivered through our subsidiary, Huda Al Hammadi Advocates & Legal Consultants, combining legal excellence with strategic business insight.

UAE Legal Insight

Deep understanding of the UAE's legal and regulatory framework, enabling clients to operate with confidence and compliance.

Client-Focused Approach

Every engagement begins with understanding our clients' objectives, allowing us to deliver practical and effective legal solutions.

Trusted by Businesses & Individuals

Supporting corporations, investors, and individuals with reliable legal counsel across the United Arab Emirates.

HUDA AL HAMMADI

ADVOCATE & LEGAL CONSULTANTS

As part of Bellfast Group, Huda Al Hammadi Advocate & Legal Consultants L.L.C. serves as the Group's dedicated legal division, providing comprehensive legal advisory and representation across the United Arab Emirates. Authorized to practice before UAE federal courts and the courts of Dubai, the firm supports corporations, investors, and individuals in navigating complex legal and regulatory environments. With strong expertise in litigation, legal documentation, dispute resolution, and regulatory compliance, the firm delivers practical, results-driven legal solutions while upholding the highest standards of professionalism, discretion, and legal excellence.

Licensed UAE Lawyer

Our ability to successfully litigate cases allows us to take on any adversary, big or small, and obtain the results our clients deserve

DEBT RECOVERY & ENFORCEMENT

Bellfast Group provides comprehensive Debt Recovery & Enforcement Services across the United Arab Emirates through its legal division, Huda Al Hammadi Advocates & Legal Consultants, combining strategic negotiation with strong legal representation to recover outstanding payments efficiently, lawfully, and with full adherence to UAE legal and regulatory requirements.

Outstanding receivables can disrupt business performance. If your organisation is facing unpaid debts, our specialists are ready to assist with recovery.

Our approach begins with structured amicable recovery and professional negotiation, followed by legal escalation through UAE courts when required. By combining legal expertise with an efficient recovery process, we help businesses and private clients recover outstanding debts while protecting commercial relationships and ensuring compliance with UAE law.

- Legal-Backed Recovery
- Structured Negotiation Process
- UAE Court Representation
- Efficient Case Management

Helping businesses & individuals recover outstanding payments professionally, efficiently, and in full compliance with UAE law

Debt Recovery Advisory

Strategic legal assessment of outstanding claims to determine the most effective recovery approach while protecting client interests.

Bounced Cheque Claims

Handling dishonoured cheque matters through appropriate civil and criminal procedures under UAE law.

Judgment Enforcement

Executing court judgments through legally approved measures including asset attachment and financial enforcement.

Amicable Debt Recovery

Professional negotiation and structured settlement discussions aimed at securing payment quickly and efficiently without litigation.

Debt Recovery Litigation

Legal representation in UAE courts to recover unpaid commercial debts, contractual payments, and financial claims.

Cross-Border Debt Recovery

Managing international debt claims involving foreign entities through legal coordination and global recovery networks.

Our integrated approach combines negotiation, legal action, and enforcement to help clients recover outstanding payments effectively while protecting their legal and commercial interests.

DEBT SETTLEMENT & NEGOTIATION

Practical settlement solutions that help creditors secure repayment and support debtors in resolving financial obligations through structured negotiation and legally sound agreements.

Outstanding debts can create financial pressure for both creditors and debtors. Bellfast Group provides strategic debt settlement and negotiation services that enable efficient, legally sound resolutions through structured negotiation, protecting client interests while supporting practical and mutually acceptable outcomes.

Debt Settlement Advisory

Strategic legal assessment of outstanding claims to determine the most effective recovery approach while protecting client interests.

Settlement Negotiation & Mediation

Professional negotiation and structured settlement discussions aimed at securing payment quickly and efficiently without litigation.

Payment Plan Structuring

Handling dishonoured cheque matters through appropriate civil and criminal procedures under UAE law.

Agreement Drafting & Execution

Legal representation in UAE courts to recover unpaid commercial debts, contractual payments, and financial claims.

CORPORATE SOLUTIONS

Bellfast Group provides comprehensive corporate solutions supporting businesses and investors across the United Arab Emirates. From company formation and regulatory compliance to visa processing and tax advisory, we deliver structured support that enables businesses to establish, operate, and grow with confidence.

With a deep understanding of the UAE's regulatory landscape, our specialists provide practical guidance and hands-on support across every stage of the business lifecycle. Each client is supported by a dedicated account manager who serves as a single point of contact, ensuring smooth coordination, timely updates, and efficient handling of every requirement. Through this personalized approach, we help businesses navigate regulatory processes confidently while maintaining full compliance and operational efficiency.
